[I.D. 061695B]

50 CFR Part 630**Atlantic Swordfish Fisheries; Public Hearings**

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Notice of public hearings; request for comments.

SUMMARY: NMFS will hold five public hearings to receive comments from fishery participants and other members of the public regarding proposed amendments to regulations governing the Atlantic swordfish fisheries. The proposed rule would change the total allowable catch (TAC) for the Atlantic swordfish fishery in accordance with the framework procedure of the regulations. The rule proposes a reduction of the directed fishery TAC to

1,365 metric tons dressed weight for each of two semiannual periods in 1995.

To accommodate people unable to attend a hearing or wishing to provide additional comments, NMFS also solicits written comments on the proposed rule.

DATES: See **SUPPLEMENTARY INFORMATION** for dates, times, and locations of the public hearings. Written comments on the proposed rule must be received on or before July 17, 1995.

ADDRESSES: See **SUPPLEMENTARY INFORMATION** for the public hearing locations. Written comments should be sent to Richard B. Stone, Chief, Highly Migratory Species Management Division, Office of Fisheries Conservation and Management (F/CM), National Marine Fisheries Service, 1315 East-West Highway, Silver Spring, MD 20910. Clearly mark the outside of the envelope “Atlantic Swordfish Comments.”

FOR FURTHER INFORMATION CONTACT: Ronald Rinaldo at 301–713–2347.

SUPPLEMENTARY INFORMATION: The proposed regulatory amendments that are the subject of the hearings are necessary to improve management and monitoring of the U.S. Atlantic swordfish fisheries and to implement recommendations of the International Commission for the Conservation of Atlantic Tunas.

A complete description of the measures, and the purpose and need for the proposed action, is contained in the proposed rule (60 FR 29543, June 5, 1995) and is not repeated here. Copies of the proposed rule may be obtained by writing (see **ADDRESSES**) or calling one of the contact persons (see **FOR FURTHER INFORMATION CONTACT**).
